Juhi Bhatt

Hub Incharge, Podar · People & Systems

Bangalore, Karnataka, India · bhattjuhi.jb@gmail.com · linkedin.com/in/juhibhatt21 · +91 9870762586

A decade spent close to people — in classrooms, counselling rooms and now across an entire school hub — building the systems that let people learn, grow and thrive. Experience spans counselling psychology, special education, EdTech program leadership, UX research, and hub-level project management, mentorship and stakeholder management.

EXPERIENCE

Hub Incharge

Podar · Bangalore, India · 05 Jun 2025 – Present

– Lead project management, mentorship and stakeholder management across the hub.

– Own learning & development, team coordination and people development.

– Drive strategic planning, process improvement and cross-functional collaboration, translating strategy into day-to-day execution.

– Provide training and capacity building for teams, and lead educational support and inclusion work.

UX Research Internship

Scaler by InterviewBit · Bangalore, India · Sep 2023 – Mar 2024

– Conducted data-driven UX research — remote usability testing and user interviews — leading to a 15% increase in user satisfaction.

– Collaborated with product managers and developers in an Agile team of 5+, integrating user insights into sprints and reducing development time by 10%.

Zonal Manager | Course Coordinator

Mom's Belief | ParentOf · EdTech · Bangalore, India · Jan 2019 – May 2021

– Directed cross-functional teams of 15 across research, development and program delivery, improving learner engagement by 25%.

– Conceptualised and executed 20+ strategic workshops and awareness camps, increasing program uptake by 20%.

– Analysed 300+ learner feedback reports to optimise content and support strategies, lifting retention and satisfaction by 15%.

Hub In-Charge

Podar International School, Inclusive Education Cell · Bangalore, India · May 2019 – Oct 2019

– Mentored counsellors and special educators across 14 schools in Karnataka & Andhra Pradesh, building shared frameworks for inclusive education.

– Guided teams in evidence-based case identification, progress tracking and personalised intervention design; led parent meetings for severe cases.

– Audited counselling documentation against IEC standards and designed referral pathways with educators and specialists.

Psychologist | Educator

Various Schools — Oakridge International, Vibgyor High, GDSMS, Navy Children School · India · Apr 2013 – Jun 2022

– Designed and implemented student wellness programs for 1000+ students, achieving a 30% improvement in student well-being.

– Developed Individualised Education Plans (IEPs) and Functional Behavioural Assessments for students with special needs; provided crisis intervention.

– Trained teachers on inclusive education and influenced curriculum development; maintained 100% compliance with assessment protocols.
